# Product Showcase — Backlit LED House Numbers

The stylish Backlit LED House Numbers from Taymor feature matte black metal construction, a durable frosted acrylic backing, and long-life LED illumination that provides a modern, floating effect. Automatically turn the illumination on at dusk/off at dawn with an optional light sensor accessory, and connect up to five house numbers with the required power supply, both sold separately.

## Accent your address with a subtle glow

- Weather resistant
- Long life LED, 3200K warm white
- Connect up to 5 numbers
- Optional dusk/dawn light sensor accessory turns numbers on/off automatically (sold separately)
- Required power supply (sold separately)
