# Product Showcase — Northern Lights

Versatile and contemporary, the Northern Lights faucet collection embodies the clean and simple elements of modern design. This tub and shower faucet includes a pressure-balanced valve and all the essential components needed to enhance your bathing experience: a shower head, bath spout, and single lever handle—each featuring smooth contoured lines and angles. Pair it with Northern Lights bath accessories and sink faucets to complete the look of your bathroom.

## Engineered to deliver a truly satisfying showering experience

- Single setting shower head with wide spray face offers full coverage
- Single lever handle for easy temperature and flow control
- Pressure-balanced valve to maintain your desired water temperature
- Ceramic disc cartridge ensures durability and long-lasting performance
- Premium metal construction
- Finish resists corrosion and tarnishing
- Coordinates with the Northern Lights bath hardware and faucet collections
