# Product Showcase — Cross Flow Professional Series®

Every edge is a soft curve. The Cross Flow lever features rounded, simple geometric contours for a look that is both inviting and contemporary. The sleek, flat rose adds to the overall sophisticated and elevated effect. Select from three durable quality finishes: Polished Chrome, Satin Nickel or Matte Black.

## Thoughtful combination of straight lines with soft rounded edges

- Collarless rose emphasizes clean design
- Fully reversible lock, works on both right and left handed doors
- Universal 6-in-1 latches offer a guaranteed fit
- Push button auto-release on privacy function
- Turn button auto-release on entry function
- Screw positioning and mounting guides provide easy installation
- Premium all metal construction
- Fits standard doors
