# Product Showcase — Strait Professional Series®

Make a lasting first impression with the modern styling of our Strait handleset. Now you can add an updated silhouette to any entry door with Strait's contemporary lines and clean aesthetic. Enjoy smooth and easy operation with our stylish Equinox or Vega lever included on the interior.

## Form meets function in a strong linear design

- Includes The Premier Line Equinox or Vega lever
- Fits standard exterior doors
- Coordinates with a broad array of Taymor curb appeal accessories
